

24<sup>th</sup> January 2024

Dear Parent/Carer

### **Arbor – Parent Communication App**

Thank you to parents who have registered on the Arbor App, we have had a high up take from parents registering on this App. If you have not yet done so could you please register as soon as possible. This letter has been sent on the parent app and with your child from school. From next week, all letters will be sent via the app and as always, available on Facebook and our website. You can use this app to inform school of any sickness absences and further information will follow with additional features of the app – e.g. booking parents evening appointments and after school clubs. If you are experiencing any issues logging in please contact school and we can check we have the correct contact information for you.

### **Year 1 Assembly**

Just a reminder that there is a Year 1 assembly on Thursday 1<sup>st</sup> February at 9am at Church Street for parents/carers to attend.

### **Parking**

A gentle reminder to park with care when picking up or dropping your child/children. It is really important that you do not park near the school gates on either site also avoiding the no parking yellow zig-zag lines so that we have full access at all times to school grounds.

Regards
