

### **Wingate Primary Sport Premium Allocation 2020-21**

PE and Sports Premium The Primary PE and Sports Premium is an amount of money given to schools each year and is ring-fenced funding to be used by our school to make additional and sustainable improvements to the quality and breadth of PE, sport and physical activity.

This means that we will use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The national vision is for: “All pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”

The revised DfE guidance includes five key indicators across which schools should demonstrate improvement.

In the academic year 2020-21, we will receive £16,000 plus £10 per pupil (368 on roll) totalling £19,680. Below is a summary of intended spending.

Due to Covid-19 pandemic and closure of school to all but key workers, money from last year's budget will be carried forward. This is due to equipment orders not taking place and cancellations of sports festivals. This carry forward amounts to £8,287.40.

**Therefore, the total budget for the academic year 2020-21 will be £27,967.40**
