

Wingate Primary Sport Premium Allocation 2022-23

PE and Sports Premium The Primary PE and Sports Premium is an amount of money given to schools each year and is ring-fenced funding to be used by our school to make additional and sustainable improvements to the quality and breadth of PE, sport and physical activity.

This means that we will use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

The national vision is for: “All pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”

The revised DfE guidance includes five key indicators across which schools should demonstrate improvement.

In the academic year 2022-23, we will receive £16,000 plus £10 per pupil (368 on roll) totalling £19,420. Below is a summary of intended spending.

Therefore, the total budget for the academic year 2022-23 will be £19,420

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
