Dear Parents/Carers

Start for Life Fund 2024/2025

We have been informed that there is further funding available to support families with children 0-5 years for safe sleeping equipment. This includes cots, mattresses and bedding, prams/pushchairs/strollers and also home safety equipment such as fire guards and safety gates, ensuring that our most vulnerable families who are facing financial difficulties have access to safe sleeping and home safety equipment to keep children warm, safe and secure.

There maybe some restrictions to who can apply, but if you would like more information, please contact Miss Cook or Annie Docherty who will be happy to help.

It is expected that demand for this fund will be high, so to ensure success please make contact as soon as possible.

Regards

Andrew Mullen
