Educate and Celebrate

This Day in June

RRSA

Article 38 – Governments must not allow children under the age of 15 to take part in war or join the armed forces.
Article 32 – Governments must protect children from economic exploitation and work that is dangerous or might harm their health, development or education.
Article 4 – Governments must do all they can to make sure every child can enjoy their rights by creating and passing laws that promote and protect children's rights.

Science

Plants
To explore the requirements of plants for life and growth.
To explore the part that flowers play in the life cycle of flowering plants.

RE

To know and understand different Hindu Beliefs.

History

How have the Greeks shaped my world?

A study of Greek life and achievements and their influences on the western world.

Computing

Creating Media
To recognise common uses of technology.
To select, use and combine a variety of software.

Art & Design

Collage

To improve our mastery of art and design techniques including drawing, painting and sculpture.

To learn about great designers in history including Henri Matisse.

Year 3

Throughout Summer One, children will learn:

English

Class texts: Orchard book of Greek Myths and Legends, Storm Question and Answer poetry

To plan, draft and write in narrative, describe characters, create own settings, write plots, write instructions and a diary entry. Retelling of Greek Myths through playscript. Recounts and poetry.

Maths

Measurement: Mass and Capacity – Measure, compare, add and subtract: lengths, mass, volume/capacity
Properties of Shape - Recognise angles as a property of shape or a description of a turn. Identify right angles, whether angles are greater than or less than a right angle.
Measurement: Time – To tell and write the time. Record and compare times.

PE

Rounders – To play competitive games.
